

# ACCESSIBLE REQUIRED TRAININGS (ASL/ENGLISH) TIP SHEET

This tip sheet supports programs in delivering required training that are fully accessible to every staff member, regardless of the language they use.

## Programs with exemplary practices:

- 1 Deliver trainings directly in staff members' primary languages
- 2 Ensure materials are linguistically and culturally accessible
- 3 Provide equitable understanding of content across d/Deaf and hearing staff
- 4 Design training systems with accessibility embedded from the start
